JUDGMENT

Raman,J.

This appeal is against the award in O.P.(M.V.)No.232 of 1999 of the Motor Accidents Claims Tribunal, Kottayam. The appellant was injured in a motor accident. Ext.A34 shows that he was treated only for one day and the scan report shows that everything is normal. The discharge summary from PSG Hospital is produced as Ext.A35 and Ext.A36 series are the bills for treatment. Further scanning was done, which also says that no abnormality was noted. The scan result is Ext.A37. Further sonography of the liver and spleen was produced as Ext.A39, which also shows that no serious abnormality is detected. The appellant was thus awarded an amount of Rs.24,500/- in all.

We do not find any reason to enhance the compensation. Appeal is dismissed.

P.R.Raman,
Judge.

Antony Dominic,
